➤ **GDP slump will hit \$5 tn target, warns NITI Aayog** (page 01)

The road to a \$5 trillion economy by 2025 is beset with many speedbreakers, the NITI Aayog has warned the government.

➤ **The opacity around electoral bonds** (page 10)

If big money entirely funds elections in a secretive way, democracy as we know it will not exist.

➤ **No light at the end of the Brexit deadlock** (page 10)

Head of a second general election since the referendum, the clashing parties are drifting further apart in their positions.

➤ **Occupation rewards** (page 10)

Israel's defiance of international opinion on West Bank settlements is finding U.S. support.
